Information Collection and Usage

Energy Rewards is committed to protecting your personal information as you use our website. Energy Rewards does not collect personally identifiable information from anyone unless such information is provided to us voluntarily and knowingly except as otherwise provided in this Privacy Policy. We only collect personal information for specific purposes, including providing you with retail energy services. We will not sell or make available your personal information to unaffiliated companies for commercial purposes unrelated to the business of Energy Rewards. However, we may use this information to inform you of goods or services that may interest you. Energy Rewards will not disclose any information about you to unaffiliated companies or organizations without your consent except as disclosed to you in this Privacy Policy, unless: (a) we are required to do so by law; (b) we believe it necessary to respond to an inquiry or provide you with a requested service; (c) it is necessary to make good on our Agreement we have entered into with you; or (d) to protect the rights, property or personal safety of any other person, including another Energy Rewards Customer or any member of the public.

Energy Rewards and its affiliates recognize that by utilizing our website you are placing trust in us. We thank you. Let us assure you that we will take precautions to protect your information. In order to operate the website and deliver retail energy service we may share your personal information with a service partner under strict conditions. We will not otherwise disclose your personal information to other companies without your explicit consent.

You are not required to register or provide information to us in order to view a large majority of our site. However, to obtain services from Energy Rewards or to access portions of our website, including, but not limited to, services provided by Energy Rewards, you may be asked to provide personal information. We use your information to personalize your web experience or to provide you with requested services. Energy Rewards will only use your information strictly in accordance with this Privacy Policy.

How We Protect Your Information

We maintain reasonable physical, electronic and procedural safeguards to restrict access to your personally identifiable information to employees and personnel who need to know such information in order to operate, develop or improve our services. Any such personal information is transferred to our servers. Electronic safeguards include technology such as firewalls and Secure Sockets Layers (SSL) to protect and encrypt certain sensitive transmissions of information. However, you should keep in mind that this website is run on software, hardware, and networks, any component of which may, from time to time, require maintenance, experience problems or breaches of security. You are solely responsible for maintaining the confidentiality of any username and/or password and are responsible for any unauthorized use.

Children's Privacy
